ALVARADO AND DECOTO CHEER THE CANDIDATES.

SPLENDID REPUBLICAN MEETINGS HELD IN THE COUNTRY TOWNS—SPEECHES MADE BY THE CANDIDATES.

The Republican county candidates visited Decoto and Alvarado last night. They were given rousing receptions in both places. Despite the rainy and threatening weather large crowds attended the meetings. The enthusiasm of the voters more than offset the stormy weather.

The people demonstrated beyond any question that they were loyal to Pardee. His name was enthusiastically cheered whenever mentioned.

At Decoto the Boys' Masonic Band rendered valuable service. The boys comprising the band came in for their share of applause.

The Decoto meeting was presided over by Professor Morris who introduced the candidates to the voters. The nominees confined themselves to one minute speeches.

Attorney Guy Ryker made the address of the evening. He was listened to with marked attention. His exposition of Republican principles was clear and convincing. The meeting was brought to a close with three rousing cheers for Pardee and the entire ticket.

AT ALVARADO.

The audience at Alvarado was all that could be asked for. It was enthusiastic and vigorously endorsed the Republican party by applauding every telling point.

The Pardee Glee Club, comprised of Messrs. Dowdle, Learn, Hart and Ayers, rendered conspicuous service, being compelled to respond to many encores. John Norris presided over the meeting.

W. E. GREENE.

Superior Judge W. E. Greene was the fire speaker to address the audience. In a few well chosen remarks the veteran jurist presented his claims and retired in favor of Judge Melvin.

JUDGE MELVIN.

Superior Judge Henry Melvin made a hit with an appropriate speech. He was warmly applauded. He said in part:

"I wish to speak a few words in behalf of my two associates on the bench, Judges Hall and Greene. Unfortunately Judge Hall was detained by serious illness in his family. When I say that we have not an abler judge on the bench of California than Judge Hall, I know I will be borne out by the attorneys who have practiced in his court and by all who know him.

"Judge Greene is so well known in Alameda county and in fact throughout the State that it is not necessary to dwell upon his qualification. Both in this county and in other counties his name is a synonym of honesty and judicial integrity."

ARTHUR FEIDLER.

County Treasurer Arthur Feidler was the next speaker. His few remarks had a marked effect upon the audience. He said:

"This year the Republican ticket should appeal to those who live in the country with particular emphasis. A few years ago you remember that it was impossible for any of the outside townships to get on the ticket. Murray Township, Washington and Eden Townships tried unsuccessfully for years to get on the ticket. Four years ago I was elected to the position of County Treasurer. This was the first office held by the country district for years. This year the county was a much better representation on the ticket. There is George Gray of Haywards for Public Administrator, Harry Lynch of Washington Township for Superintendent of Schools, and myself from Murray Township. This should be a sufficient reason for the entire country voting for the Republican ticket straight."

J. P. COOK.

Jack Cook, candidate for County Clerk, was given an enthusiastic reception. He made an earnest and convincing speech which was in part as follows:

"In line with what your County Treasurer has said, I would like to call your attention to the equitable way in which the nominations were apportioned among the various portions of the county. Washington, Eden and Murray Townships and every one of the Assembly districts are represented upon the ticket. Nothing could be fairer than this. It is the most representative ticket which has ever been placed before the people. With every district represented by men of known integrity, I believe the confidence of the candidates in their election is justified. The nominations represent the voice of the people as expressed at the most orderly Primary election ever held in the county. Each district got its favorite son on the ticket. It is a ticket composed of favorite sons virtually and for that reason I believe the entire Republicans will be elected by an overwhelming majority."

JAMES BARBER.

County Tax Collector James Barber was the next speaker to address the audience. He said:

"This is a fitting time for me to express my appreciation of the very great courtesies which have been extended to me on former occasions by the voters of Alvarado. The vote from the district has always been very complimentary to the entire Republican ticket, and I see no reason why the same vote should not be afforded to the party again. I have been your Tax Collector for a number of years and it is my ambition to serve you again."

JOHN J. ALLEN.

District Attorney John J. Allen was the next speaker. He was cheered by the audience. He made a brief but effective speech, which brought rounds of applause from the people. He outlined the great work accomplished by the Republican party in restoring the nation to its proper balance after the Democrats were turned out of power.

ROBERT GREIG.

Robert Greig, candidate for County Recorder, was the next speaker. He said:

"I come before you as the Republican nominee for the office of County Recorder. I am proud of the endorsement of the good old party. The gentleman who is running on the opposition ticket, also hails from Berkeley. We had a small tilt before the primaries to see who would be the Republican candidate for County Recorder. My friends succeeded in putting up a good fight and he withdrew. I think that after the election, I will still maintain the lead I gained in Berkeley."

SHERIFF ROGERS.

Oscar L. Rogers, candidate to succeed himself as Sheriff, was given a hearty reception. He made a happy speech, urging not only his election, but the election of the entire county and State ticket. He promised a faithful performance of his duties in event of his re-election. The audience was in sympathy with the Sheriff and demonstrated it by lustily cheering him when he sat down.

JOHN MITCHELL.

Supervisor John Mitchell, candidate for Assessor, was heartily cheered when he arose to speak. He took occasion to nail a couple of campaign lies. He was vigorously applauded at the conclusion of his speech. He said in part:

"You have no doubt received a circular from one of my opponents denouncing me. The trouble with the circular is that it is half-lie, half-truth. When a thing is all true or all wrong it is easily distinguished. When a statement is made which is only half true, it is worse than an outright falsehood. This circular which has been mailed broadcast throughout the county against me is half true and half false.

"It says that I voted for the reduction of $135,000 on the Contra Costa Water Company in 1897. I did vote for the reduction. Only the circular stops there and does not tell you what else I did. The Board of Supervisors at that time was advised by District Attorney Snook that we had no right to assess the franchises, as the water company claimed its principal place of business to be in San Francisco, and that the franchises were assessable in that city. In order that the water company would not escape its just taxes we directed the Assessor to tell the Assessor of San Francisco to assess the franchises. The San Francisco Board of Equalization failed to permit the assessment to stand. This is the whole truth. Ever since then I have never voted for the reduction of one cent of the water company's assessment."

J. CAL EWING.

County Auditor J. Cal Ewing was the next candidate to be presented to the enthusiastic audience. He was given an ovation. He spoke in part as follows:

"The Republican platform is not composed of untried political policies. It is composed of those great principles which have given the nation every measure of prosperity in the last fifty years. If the voters are willing to abide by results, then the Republican party has claim upon them. Prosperity and progress are the results of the Republican administration. Democracy's rule has twice plunged the country into disaster. Upon the basis of achievement and of things well done, the Republican party in this campaign is entitled to a greater majority in this State than was ever given before."

FOR CORONER MEHRMANN.

Attorney Harry Pulcifer, representing Coroner H. B. Mehrmann, was then called upon for a few remarks. He paid a glowing tribute to the character and attainment of the present incumbent. He closed with a rousing appeal to the voters to support the party, which, during its last four years had done more for labor than all others parties combined.

CONSTABLE VANDERVORT.

Constable Vandervort was then called upon for a few remarks.

PETER CROSBY.

Peter J. Crosby, the brilliant young attorney, closed the meetnig with an able address which carried the voters irresistibly with him. The speech was one of the most convincing of the campaign. It made many friends for Mr. Crosby, and many votes for the Republican party.

C. P. KIEL RETURNS FROM EAST

C. P. Kiel of the reliable carriage house of the Kiel & Evans Company of Oakland, returned last evening from a month's business trip to the Eastern States. Mr. Kiel during his absence attended the Carriage Dealers' National Exposition of New York and Philadelphia. He also visited Chicago, Detroit and Buffalo and placed large orders at factories in the cities named for one of the largest shipments of carriages, buggies, etc., ever sent across the Rocky Mountains. The business of this popular firm has increased to such a rapid extent that they found it necessary to secure much larger quarter than their present stores at 958 and 960 Broadway, and have leased the large new block just finished at the corner of San Pablo avenue and Seventeenth street, which will be, by long odds, the most commodious and best appointed carriage repository on this side of the bay. They expect to be in the new stores about November 15th, and in the meantime they are disposing of their present stock of vehicles at a liberal discount. If you contemplate purchasing a vehicle of any kind you should not miss this opportunity.

ANSWER IT HONESTLY

Are the Statements of Oakland Citizens More Reliable Than Those of Utter Strangers?

This is a vital question.
It is fraught with interest to Oakland.
It permits of only one answer.
It cannot be evaded or ignored.
An Oakland citizen speaks here,
Speaks for the welfare of Oakland.
A citizen's statement is reliable.
An utter stranger's doubtful.
Home proof is he best proof.

J. J. Lawrence, miner, of 160 Seventh street, says: "Lameness and pain across the small of a miner's back totally prevents a man from performing work and even when the backache is not so pronounced as to prevent working it certainly is an aggravating annoyance. When in Ecuador, South America, I first noticed that in some way my kidneys were not performing their functions properly and aching across the loins ensued. Since then other attacks have occurred and I was suffering from one when I noticed Doan's Kidney Pills advertised in our Oakland papers and went to the Owl Drug Co.'s store for a box. If the first had not helped I never would have bought a second, and if the second had not brought greater relief I never would have continued the treatment. You can say for me that Doan's Kidney Pills can be depended upon to do exactly as stated."

BETH JACOB WILL BURN MORTGAGE

INTERESTING CEREMONY IN THE HARRISON STREET CONGREGATION.

Tomorrow afternoon great festivities will be held by the Congregation Beth Jacob at their handsome little synagogue on Harrison street between Fourth and Fifth streets, the occasion being in honor of the burning of the mortgage which has been on this ecclesiastical institution for several years. Too much praise cannot be extended to A. Bercovich, who has been president of the Synagogue for several years and who has just been re-elected, as he has been indefatigable in his labors on behalf of his co-religionists. It is mainly through his efforts that the mortgage has been lifted from this place of worship.

Quite a large gathering is expected, as the members of the congregation have invited many friends.

The following gentlemen were elected officers of the institution at the annual meeting last Thursday evening: President, A. Bercovich; vice-president, J. Carrash; secretary, D. Bercovich; treasurer, Morris Isaacs; trustees, H. Davis, W. Carrash, A. B. Lushander, I. Wollin and M. Linderbaum.

The committee of arrangements, Wolf Carrash, Ben Wechter and Morris Isaacs, were instructed by President Bercovich to spare no expense in making the affair of tomorrow one of the brightest in the history of the race in Oakland. At the solicitation of the committee George Samuels has kindly consented to officiate as chairman of the occasion.

BANQUET OF KNIGHTS OF ROYAL ARCH

Next Wednesday evening the first annual banquet of Oakland Lodge, No. 3, Knights of the Royal Arch, will be given in Gier's Hall on Fourteenth street near Washington. This will be one of the most enjoyable affairs of the kind which has taken place in this city. The lodge has a membership of about 250, all of whom are of a social and congenial disposition. An excellent program of toasts and vocal and instrumental music has been prepared and an appetizing menu will be served in his best style by Hallahan. The banquet will be presided over by P. N. Hanrahan, who occupies the position of valiant commander. Besides the members of the lodge there will also be present Mayor Barstow, members of the City Council, Board of Public Works, Supervisors and the Chief of Police.

WILL INTEREST EVERBODY.

Or at Least Everyone Who Suffers From Catarrh.

Catarrh in its various forms is a natural disease, and the fact that nearly everybody suffers from it more or less leads many to neglect its proper treatment.

Nasal catarrh is a common cause of headaches, destroys sense of smell and if neglected reaches the throat, causing impairment and sometimes total loss of voice. Bronchial catarrh leads easily to consumption. Catarrh of stomach and liver are very serious and obstinate troubles, while it is now generally admitted that catarrh is the most common of all causes of deafness.

All of the more serious forms of catarrh begin with nasal catarrh the local symptoms, being a profuse discharge stoppage of nostrils, irritation and frequent clearing of the throat, sneezing, coughing and gagging.

The old style of treatment with douches, inhalers, sprays, salves, etc., simply give temporary relief and everyone who has used any of them knows how useless they are and their inconvenience is such that very few have the time or patience to continue their use.

A radical cure of catarrh can only be obtained from a treatment which removes the catarrhal taint from the blood, because no one will now dispute that catarrh is a constitutional or blood disease, and local applications can have no effect except to temporarily relieve local symptoms.

A new remedy which has been remarkably successful in curing catarrh is taken internally and acts upon the blood and muscous membranes.

It is composed of antiseptic remedies like Red Gum Blood root and similar cleansing specifies which eliminate the catarrhal poison from the system.

The tablets being pleasant to the taste are dissolved in the mouth and thus reach the throat, trachea and finally the stomach and entire alimentary canal. They are sold by druggists everywhere under the name of Stuart's Catarrh Tablets.

If desired, when there is much stoppage of the nose, the tablets may be dissolved in warm water and used as a douche in addition to internal use, but a douche is not at all necessary. A few dissolved in the mouth daily will be sufficient. Dr. Ainslee says: "The regular daily use of Stuart's Catarrh Tablets taken internally will cure the whole catarrhal trouble without resorting to the inconvenience of a douche or an inhaler."

They seem to give a hearty tone to the whole muscous membrane and it is really remarkable how soon they will clear the head and throat of the unnatural and poisonous catarrhal secretion.

Stuart's Catarrh Tablets is undoubtedly the safest, most palatable and certainly the most efficient and convenient remedy for any form of catarrh.

DR. PARDEE GIVEN A BIG RECEPTION

Napa County Voters Turn Out in the Rain to Greet the Republican Leader.

NAPA, Oct. 25.—"I have been for many years an active member of the same typographical union of which Franklin K. Lane is the honorary member," said Duff G. Poole, who presided at the Pardee meeting yesterday at Yountville, "and I firmly believe that in the event of Lane's election Gavin McNab will be the real Governor of California. God help the labor unions if Gavin McNab gets control of the State Government. He is one of the worst foes of union labor, and undoubtedly he will exert the most potent influence over Lane if Lane should become Governor of this State.

"There is no truth in the pickhandle story about Dr. Pardee."

Poole, who is now residing in the Veterans' Home at Yountville, stated that he belonged to the typographical union of San Francisco, and had been a delegate to the Labor Council. The hall at the home was crowded when Pardee spoke there and the veterans shouted lustily for him.

Pardee left Vallejo at noon after visiting the Mare Island Navy Yard, in company with Congressman Metcalf, whom all the men at the Navy Yard regard as their friend; G. H. Oakley, the chairman of the Republican Central committee of Solano county, and W. N. Concannon, a contractor who employes many union laborers. Pardee shook hands with the workmen in several of the Mare Island shops and regretted that time did not allow him to go through all of the departments at the Navy Yard. A large proportion of the workmen whom he met wished him success in the Gubernatorial fight.

WELCOMED TO ST. HELENA.

When the Republican standard-bearer entered Napa county he was greeted by G. W. Stohl, chairman of the county committee; Senator Robert Corlett and other well-known Republicans, who first escorted him to St. Helena, where an audience, which was unexpectedly large, gathered in Turner Hall to hear him, notwithstanding the rain. The hall was nicely decorated with flags and palms. Cheers for Pardee were given when he appeared on the stage. Dr. F. D. Watkins, who introduced J. H. Steves as chairman of the meeting, said:

"I have known George C. Pardee for many years. He is broadminded and brainy enough to be a credit to the State as our Governor, and he is plain enough to shake hands with the humblest man as well as with a bank president."

Chairman Steves said: "Your presence in this inclement weather shows the interest you take in the party that stands for protection and prosperity. Two years ago I attended the Republican National Convention with Dr. Pardee; and I know that he is a man of high character, who, in the office of Governor, will do credit to himself and the State. He is a man of the people, and he will serve the whole people."

The cheering, hand-clapping and stamping when Pardee arose lasted for some minutes. When he said:

"Will California slump back into the despondent ranks of the Democracy?" A voice cried: "She never will." Pardee remarked: "I have nothing against Franklin K. Lane except that he is a Democrat, and if he lives long enough I trust that he will get over that. If Lane should be elected Governor he must make use of all his power to help carry into effect the Democratic tariff policy, which will deal the industries of this State such another blow as was administered to them when Cleveland was President. Mr. Lane has always been a Democrat, and whenever you get him to discuss the Democratic policy and principles, which he is not doing now, he will stand up for them. I have always been a Republican, and I stand for Republican principles, as stated in the Republican platform, which I am always willing to discuss."

ALWAYS A REPUBLICAN.

"Personally it may not matter much whether Mr. Lane or myself is elected Governor, but politically and industrially it does make a material difference whether California elects a Democratic or a Republican Governor. I was born in California, have lived in my native State always, and will stay in it until I die, and I shall give the people of California as good an administration as it is possible for a man to give. For the sake of my children, as well as for my own happiness, I want to have and to leave as good a reputation as I can."

This statement brought much applause. After briefly discussing the trust question Pardee said: "In 1856 my father, good, kind man that he was, had the honor of being rotten-egged on the stage at Platt's Hall, in San Francisco, because he advocated the election of Fremont. I am a Republican because the Republican party does things and has made this nation what it is, and I am proud because I stand here today as the nominee of the great Republican party for Governor of California." He was again heartily applauded.

VETERANS FOR PARDEE.

Luncheon was spread for Pardee at St. Helena by the County Committee, and Mrs. Pardee was entertained by Mrs. Steves, Mrs. H. M. Walker, Mrs. Cave and Mrs. Sink. The band at the Veterans' Home played "Hail to the Chief" when Pardee appeared. During his speech at that place there were such exclamations as, "We'll vote for you," "You'll be elected all right," and "No more Cleveland for us."

Before the meeting at Napa rockets and Roman candles were set off, guns boomed and bonfires blazed on several streets. The stage of the opera house was draped with flags. Pardee mentioned Lincoln's advice against swapping horses, and said: "The people are to decide whether they will trade the steed of Republican prosperity for the old broken-down jade of Democratic free trade. All the Democratic Congressional nominees should be defeated, because the people should not send to Washington men who will necessarily be against the interests of the State."

Enthusiastic cheers were given for the Republican nominees. Ray Benjamin, candidate for District Attorney, presided at the Napa meeting.

J. J. WHITE FOR ADMINISTRATOR.

James J White, Union Labor and Democratic nominee for Public Administrator, is worthy of the support of all good citizens. Mr. White is a pioneer of Oakland with a large experience in public affairs. For many years he was in business in this city, and has always borne a good reputation. He is just the man to fill the office of Public Administrator.

Mr. White served as Postmaster of the city of Oakland for four years, and the public remembers that he conducted the office to the advantage of the people. Business men had reason to appreciate the efficient manner in which he managed the postoffice, and readiness with which he extended all possible courtesies. The postal service of this city was never better than during Mr. White's incumbency. He conducted the office on thorough business principles, and regarded the accommodation of the public as the first duty of himself and his subordinates.

Mr. White is a respected citizen, who has reared his family in Oakland, and paid taxes in Alameda county for thirty years. In all the affairs of life he has proved himself a worthy citizen, a good neighbor and an estimable husband and father. As an employer of labor he always paid good wages, and treated his employes with proper consideration. In his business dealings he is square.

In view of this long acquaintance with him, and the confidence in his integrity, a number of his friends take this method of speaking a good word for his candidacy, without solicitation from him and without his knowledge. A vote for J. J. White is a vote for an honest man who will serve the public to the best of his ability, which will be to the general satisfaction.

CRELLIN WINS FIRST ROUND.

HIS DEMURRER TO LYON'S SUIT HAS BEEN SUSTAINED.

Judge Hunt yesterday sustained the demurrer of Ernest W. Crellin, the husband of Camille d'Arville, the opera singer, to the complaint of Andrew J. Lyons asking for $50,000. Lyons, who was Mrs. Crellin's former husband, sued Crellin for the sum of $50,000, alleging that the latter had alienated the affections of his wife and had thereby damaged him to that amount. Crellin's demurrer merely denied that the complaint stated sufficient grounds for a cause of action. Judge Hunt sustained it and permitted Lyons ten days to amend.

Lyons was an acrobat when he met and married Camille d'Arville in Denmark. They lived together unhappily for some years and were finally divorced in Chicago. Lyons blames Crellin for causing trouble between them.

The debaters have been looking forward to the meeting with the keenest interest. Alameda has won many of these debates and its representatives are looked upon as the most formidable speakers in the Debating League of California, under the auspices of which the affair tomorrow evening will be held.

The question to be debated is as follows:

"Resolved, That it would have been to the best interests of the United States to have annexed Cuba instead of granting her independence; provided that the phrase 'instead of granting her independence' refers directly to present settlement of the Cuban question."

Alameda takes the affirmative and will be represented by Ralph Marx, Roswell Dagwe and I. W. Kibby. The speakers for the city side of the question will be Charles S. Hill, Walter E. Trefts and Edward J. Reilly.

ALAMEDA, Oct. 25.—The big brick chimney at the oil refinery at West End is to be torn down. The undertaking, or undermining, will be a difficult one as the base is embedded to a depth of twelve feet. The demolition of the chimney is part of the work incidental to the dismantling of the works and removal of the tanks and machinery to the plant of the Standard Oil Company at Point Richmond. In a few days workmen will excavate at the base and finally topple the chimney over, the brick being afterward cleaned, for use again.

MRS. ANNA KUSSICK,

SENTINEL,

U. S. LEAGUE,

Goddess *of* Liberty Council No. 112.

CHICAGO, ILL.

201 Dearborn Street,
CHICAGO, ILL., Feb. 6, 1902.

Several years back I was a very different woman from what I am today, and I can thank Wine of Cardui for the blessed change. At that time I was suffering from inflammation which caused me intense pains every month. It robbed me of the happiness of my life and made me blue and disheartened. I tried everything I could think of and finally made up my mind there was no relief for me. One day a member of our council called and found me in bed. I told her my troubles and she said at once, "Why don't you take Wine of Cardui? That is a sure cure for female trouble." She then went on to tell me how she had suffered from ulceration and ovarian trouble and had been cured through this medicine. It sounded like a fairy tale to me. I had read of it but had lost all faith in medicine. She, however, went to the drug store, bought me a bottle and gave me my first dose, saying, "If it doesn't cure you I will pay for it." I felt encouraged and full of hope. But fine as my hopes were the reality was better. In three days I had found a great change.

I kept up the treatment faithfully for nearly four months, kept improving and was finally entirely well. How different life looked to me. The sun seemed to shine brighter and all the world looked beautiful to me once more. This is over six years ago, but I have had no relapse and have used no other medicine. If at times I feel worn out or languid I just take a few doses of Wine of Cardui and I am all right once more. A number of my friends who have seen my remarkable recovery have been using this medicine since I was cured, but I do not remember one who feels disappointed. In fact we do not know of anything that will take its place. It seems especially adapted for weak and sick women, troubled with irregular or painful menstruation, leucorrhoea, ulceration or inflammation. Thousands of women in Chicago today thank you for restored health and among them is your grateful friend.

Anna Kussick

WINE OF CARDUI always does the same thing. If you suffer like Mrs. Kussick take the same medicine she took—Wine of Cardui.

"Why don't you take Wine of Cardui? That is a sure cure for female troubles." The person who gave Mrs. Kussick this advice would advise you to take Wine of Cardui.

You are given a personal invitation to take advantage of the Wine of Cardui treatment today. It regulates all menstrual disorders, stops ovarian pains and relieves falling of the womb.

THE WEATHER SMILES ON BIG REPUBLICAN MEETING.

THOUSANDS WILL GATHER AT TABERNACLE TONIGHT TO CHEER FOR PARDEE AND VICTORY.

The Republican managers are rejoicing that the rain has ceased and the clouds rolled by, for it shows that the elements are on the side of the Republican party. The good weather is an assurance that the tabernacle will be packed tonight with an enthusiastic audience anxious to cheer for Dr. George C. Pardee. The meeting will be a monster gathering in honor of Alameda's favorite son, who is bearing the Republican banner to victory in this campaign.

As the weather has cleared up, there will be nothing to interfere with the display of fireworks, which will be very fine. The street parade will be an imposing demonstration.

When the Roosevelt Legion arrives from Sacramento, they will be met at the Sixteenth-street depot by the Republican Alliance and be escorted up town. The legion will act as a guard of honor for the speakers, Hon. John F. Davis, E. Myron Wolfe and Judge Melvin, and the Alliance and the Young Men's League will be the escort.

John A. Britton, who will preside, will only make a short address, but the speaking will be interspersed with campaign songs. The tabernacle stage has been handsomely decorated with flags and pictures of Dr. Pardee and the other candidates. Portraits of Lincoln, McKinley and Roosevelt will also be displayed.

SAN FRANCISCO WINS GAME.

OAKLAND'S GAME WITH SACRAMENTO IS CALLED OFF BY RAIN.

The Los Angeles ball experts lost to the Ponies down south yesterday afternoon and as a result are put further away from the leaders. It only took two innings to defeat the Loo Loos, when in the first and third, by bunching hits, San Francisco sent enough men across the plate to finish with the score of 5 to 3. The Los Angeles players were able to connect with the ball with more frequency than the visitors, but the hits were at the wrong stage of the game. Added to this, O. Jones had a bad day. His support was ragged and, taking it all in all, the Ponies handed out a pretty large spoonful of bitter defeat.

Los Angeles scored twice in the same inning.

Householder knocked the ball against the left field fence and brought in Toman and Wheeler. The chance to make a third tally was lost by the poor base running of Dillon, who forced Householder out at second.

It rained a little in the morning, but the grounds were in fair condition with the exception of a few slippery spots about the field.

The score of runs and hits by innings is as follows:

	1	2	3	4	5	6	7	8	9	
Los Angeles	0	0	2	0	0	1	0	0	0	—3
Bast hits	1	1	3	2	0	1	0	2	1	—11
San Francisco	3	0	2	0	0	0	0	0	*	—5
Base hits	2	1	2	1	2	1	0	0	*	—9

The rain kept Sacramento from being put back further in the race. Oakland was ready to administer the thrashing, but it rained and the show was called off.

BOXING BOUTS AT WEST OAKLAND CLUB

The bouts to be held at the West Oakland Club on next Tuesday evening, will, no doubt, attract a large crowd, as the card which has been arranged is an interesting one, and some lively bouts may be expected. The contests will begin with two three-minute try-outs, to be followed by three goes for decisions.

The first bout will bring out Kid Kennedy, of the O. A. S., and Kid McKarly, W. O. A. S., in a four-round bout. Kennedy is a good man and is always willing to mix things from start to finish. McKarly is Instructor He boxed at the club's smoker last Thursday evening, and put up a fine bout, and will give a good account of himself on the night of the contest.

The next event will be a six-round affair between George Brown, W. O. A. S., and Spike Foley, Magnolia club.

The main event is attracting a great deal of attention as both are clever as well as fast fighters, and will put up a very interesting bout. This is to be a ten-round affair betwen Louis Long, of the Reliance Club, and George Baher, San Jose, at 125 pounds. This weight both can make easily, and fight strong. Long is well known in Oakland, while Baher has met such men as Herman, Billy Martin, Kid McFadden and others. He has just returned from a very successful Eastern trip, and has improved a great deal since he left. He is training in San Francisco, and is getting into excellent shape, while Long is also getting into fine condition at the Reliance Club.

The bouts start at 8:30 o'clock, sharp.

ALLIANCE WILL NOT GO TO LOS ANGELES.

Felton Taylor of the Alliance Club is in receipt of the following communication from Branden W. Lee, chairman of the Los Angeles County Central Committee:

"Dear Sir:—We regret exceedingly that circumstances are such that we will be obliged to forgo the pleasure incident to a visit of the Alliance Club to our city during this campaign.

"Respectfully,
"BRANDEN W. LEE."

RULES WILL HOLD MEETING.

EMPEROR WILLIAM AND KING CARLOS WILL MAKE A TRIP TO ENGLAND.

LONDON, Oct. 25.—Emperor William will arrive in England November 8, and by that time it is expected that King Carlos of Portugal also will be a guest of King Edward.

There is every reason to believe that the meetings of the three monarchs will result in important international understandings, especially as regards South Africa and more particularly Delagoa Bay, which is so vitally important to Great Britain as an outlet for her newly acquired colonies.

The Portuguese Government appears willing to transfer some portions of its South African territory to British rule. Germany, however, is understood to be strenuously opposed to British trade securing such an advantage, at any rate unless Portugal is willing to placate Germany by granting her some similar concessions, and it is believed that before the Emperor and King Carlos leave England a bargain will be arranged.

FAMOUS SINGER WOULD ORGANIZE SELECT CHOIR.

Members are wanted to join a select choir under the direction of Edward St. John, late in conjunction with Henry Lambeth of the Balmoral choir, which appeared many times before her Majesty Queen Victoria.

"Mr. St. John is well known in operatic and oratorio circles in the United States and Great Britain. He was a member, and still is an honorary, of the Carl Rosa "Mapleson," "Ronsbeg" and "D'Oyly Carte" opera companies.

The fee to join is $5, and only those of Scottish birth or extraction are eligible to membership. The proposed member must also have voice susceptible to training.

Address all communications to Edward St. John, Victoria House, between Seventh and Clay street.

ON THE RANCH.

Western Air and Proper Food Give Long Life.

The fine bracing air of the far West is sometimes counteracted by bad food. A combination of good food and air, however, is pretty hard to beat.

Out in Wood Lake, Neb., Mrs. Paul Kennicott lives in a ranch; she has to send in to Omaha for most of the necessities of life and got her first supply of Postum in that way.

She writes that for nearly a year she has used Postum Coffee eclusively and many who stopped with her, as they frequently do on the ranch, could not tell it from the best brand of coffee. We quote a portion of her letter as her reasn for using Postum eclusively in the household.

She says, "I know it has had a beneficial effect on my family, I hear very little complaint of dull headache as I used to when we drank coffee; as for myself, I was so troubled with palpitation and aching of my heart that I consulted a physician and was told that I had serious heart trouble which would necessitate my giving up everything but the lightest housework. But now after a busy summer's work, doing the cooking for my family, which with the hired help numbers 8 and 10 persons, I can say that I have had no trouble with my heart and my general health is excellent.

I wish all coffee drinkers could realize how they are undermining their health by its use and would change to that best of all drinks, Postum Coffee. I wish to add that we use a package of Grape Nuts a day which will attest the favor in which the food as well as the coffee is held by my family."

CAPTAIN CURTIN PASSES AWAY OF HEMORRHAGE

DEATH OF A VETERAN DETECTIVE WHO BECAME FAMOUS AS A PINKERTON.

SAN FRANCISCO, Oct. 25.—Captain John Curtin, head of the Curtin Detective Agency, died at St. Mary's Hospital last night of hemorrhage of the brain. His death was not unexpected, for his physicians decided his case to be hopeless from the time he was taken to the hospital about three weeks ago. His death removes a familiar figure in San Francisco, and one of the most popular men in his profession that ever lived here. He enjoyed a wide personal acquaintance among business men by whom he was highly respected.

Captain Curtin was a veteran detective and had a very large clientele. He was very successful in his business, and enjoyed the confidence of his patrons to a rare degree. He got his schooling under the elder Pinkerton, and has always remained in close touch with the great agency established by that famous detective. In system and method he copied closely after the master who gave him his first lessons.

He learned the moulder's trade, but in early life forsook manual labor to enter the employ of the Pinkerton Agency, his uncle being a warm friend of old Allan Pinkerton. Captain Curtin soon became the close personal friend of William Pinkerton, in conjunction with whom he achieved his first successes. He soon demonstrated his talent as a detective, and made rapid advances in his profession. He became the trusted aide of William Pinkerton, and assisted in many of the most notable exploits of that great Chicago thief taker. He first showed his capacity for diplomacy and shrewd finesse in the great coal strike at Braidwood, Ill., in which the Pinkertons were engaged to do some delicate confidential work.

It was in the famous Bidwell forgery case that Curtin distinguished himself in the field of pure detective work. The Bidwell brothers, who are still remembered in California, swindled the Bank of England, out of millions by a series of daring forgeries most ingeniously contrived and cleverly consummated. Curtin assisted William Pinkerton in unraveling the whole scheme and working up the case against the forgers. It was Curtin who traced up the leader of the gang, Austin B. Bidwell, and arrested him in Cuba, landing him safely in England despite the efforts of the most adroit scoundrels of Europe and America.

After a long and successful career with the Pinkertons, Captain Curtin came to San Francisco and established the agency which bears his name. He has handled many great cases and has adjusted many complications involving breaches of trust and misappropriation of funds, effecting settlements with as little scandal as possible and recovering all that was to be obtained for his patrons. He was employed by the Government to assist in breaking up the opium smuggling ring that had its headquarters in San Francisco. This he did very successfully. Captain Curtin came to California through finding a diamond that Mrs. Theresa Bell, wife of Thomas Bell, the millionaire capitalist, lost while staying at a hotel at Manhattan Beach. She thought it had been stolen, but Curtin, after a cursory investigation, formed the theory that she had accidentally thrown it away in an envelope.

At infinite pains he proved the correctness of his theory by finding the diamond, which had been lost exactly as he had concluded. He was then taken into the employ of Mr. Bell, and remained with him for several years. He afterward took a position with Harry N. Morse's Agency, and after severing his relations with M. Morse established an agency of his own.

Captain Curtin was born in Troy, New York, and was aged 65 years. He was unmarried. Two sisters reside in Troy and a brother, who was for many years Chief of Police of that city, lives in Buffalo. The body will be shipped to Troy for interment.

MAY HAVE NEW HEAD FOR SOUTHERN PACIFIC.

CHICAGO, Oct. 24.—It was announced on good authority today that H. R. Nickerson, vice-president and general manager of the Mexican Central Railroad, had been offered the position of president of the Southern Pacific. Should Nickerson accept the position it is likely that J. Kruttschnitt, fourth vice-president of the road, will be given another position by Harriman.

Nickerson passed through Chicago last week on his way to Mexico City from New York, where he had several long conferences with Harriman, and it is understood that he was given some time to consider the offer.

It appears that owing to the aggressiveness of the lines to the Middle and Northwest coast, Harriman has found that he cannot run the Southern Pacific from his office in New York City, and that an active man must be placed at its head, with an office in San Francisco. It is understood that Harriman's decision to retire from the presidency of the road is due largely to the great efforts the Hill lines are making to increase their Oriental traffic. Correspondingly energetic efforts are deemed necessary for the Harriman lines.

The business men of San Francisco are also said to be protesting that the company should have a president located in that city and not in the far East, and that on account of this lack the Southern Pacific is losing some prestige. When C. M. Hays resigned the presidency of the Southern Pacific there was general surprise that Harriman assumed the presidency of the road. He did not do so, however, before trying to get a suitable man, and after J. T. Harahan of the Illinois Central had refused the position.

Nickerson was born in Maine forty-nine years ago and began his railway service with the Santa Fe in 1872 as a telegraph operator. He rose to the general superintendency of the entire system, and on July 1, 1894, he resigned to accept the position of assistant general manager of the Mexican Central. Nickerson is an indefatigable worker and one of the best operating men the West has produced. It is not known whether he will accept the offer which Harriman is said to have made him.

IN THE FIELD OF LITERATURE.

NOTES AND COMMENTS ABOUT PEOPLE WHO WRITE BOOKS.

Jack London, the Oakland boy who achieved a world-wide reputation as a writer of short stories during the last six years has launched his first novel. Its title is "A Daughter of the Snows," and like many of Mr. London's short stories, the scene is laid in Alaska.

The celeverness which marked the young author's earlier efforts is reproduced with emphasis through the 334 pages which go to make up the volume. The promise which was held forth in such clever productions as the "Son of the Wolf," "The God of His Fathers," and other short sotires, has been fully fulfilled in his first effort at novel writing. The book is about a woman—a daring original woman, whose personality and place in the story are sure to win her a host of admirers. The rapidity of movement the shifting scenes and the romantic flavor are features which are certain to keep the interest of the reader alive from the first to the last page.

The book is from the press of J. B. Lippincott of Philadelphia. It is cleverly illustrated by F. C. Yohn.

GEORGE ADE'S FABLES.

"A bunch of he and she fables" summed up under the title of "The Girl Proposition" is the latest thing from the ready pen of George Ade. It deals with the one grand emotion, in a way that only Mr. Ade is capable of doing. Twenty-five fables adorn the pages of the little book and are as full of philosophy, humor and wit as a small book could possibly be.

The book is well worth buying and the morals contained in the tales should afford food for reflection after putting aside the satire and humor of them. The book is published by R. H. Russell of New York.

AINSLEE'S MAGAZINE.

The November Ainslee's comes to hand with 160 pages of choice reading matter. A DYING GIRL

MADE WELL BY DR. WILLIAMS' PINK PILLS FOR PALE PEOPLE.

Bedridden With Chronic Inflammatory Rheumatism, Miss Walton's Life Had Been Despaired of by Her Doctor.

The doctor had made his last call at the house of Miss Maggie Walton, No. 1326 Main street, Peoria, Illinois, and had told her sorrowing mother that nothing more could be done. Maggie *might* die at any time. The situation was critical enough to warrant the doctor's conclusion, for the trouble was inflammatory rheumatism and it had attacked the heart. But Miss Walton is a healthy, happy young lady today. Dr. Williams' Pink Pills for Pale People cured her and she is enthusiastic in telling the story. She says:

"I was afflicted with chronic inflammatory rheumatism and had suffered with it from my childhood. When I was fourteen I was a helpless cripple, unable to leave my bed and with my arms and legs swollen to twice their natural size. I often fainted away with the pain, frequently several times during the day. Sometimes they thought I was dead. The rheumatism had affected my heart and that was the cause of the fainting spells. It was impossible for me to take any solid food and there were days and days when not even a spoonful of liquid would stay on my stomach.

"When the doctor had given me up my father determined to have me try Dr. Williams' Pink Pills for Pale People. So he got some and I could feel an improvement after the first few doses. Little by little I began to get better and a faithful course with these pills restored me to health. That was nearly five years ago. Now I am twenty and in the best of health. I am sure that Dr. Williams' Pink Pills saved my life."

Rheumatism is a disease of the blood and Dr. Williams' Pink Pills for Pale People go directly to the seat of the disorder, purifying and enriching the blood by eliminating poisonous elements and renewing health giving forces. They act both on the blood and nerves and have wrought hundreds of wonderful cures in such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, nervous head ache, the after-effects of the grip, of fevers and of other acute diseases, palpitation of the heart, pale and sallow complexions and all forms of weakness either in male or female. Dr. Williams' Pink Pills for Pale People are sold by all dealers or will be sent postpaid on receipt of price, fifty cents a box; six boxes, two dollars and fifty cents, by addressing Dr. Williams' Medicine Co., Schenectady, N. Y.

AGED WOMAN WANTS TO FIND HER SON

Mrs. G. Kaufman, an aged woman, who lately arrived in this city from West Lake Louisiana, has asked the police authorities to help locate her son, J. B. Jacobs, who was to have met his mother upon her arrival here. The woman came to Oakland last Sunday from her southern home, expecting to meet her son when the train pulled into Sixteenth-street depot. With the woman came her two little children. Her son failed to greet her upon her arrival, and, thinking that he had been detained, she secured lodgings in this city and awaited his coming.

Days went by and her little stock of funds became used up and still the son failed to materialize. She was finally compelled to apply to the police for assistance to find her son, and this morning visited Chief of Police Hodgkins to whom she told her story and he promised to do everything in his power to locate the missing boy. The woman stated that he was a carpenter and lately had been working in a shingle mill in Mendocino county.

Mrs. Augustus Simons has fiel a demurrer to the contest of the will of the late Henry F. Kramm, instituted by Mrs. Minnie Kramm, the widow of the decedent. When Kramm died he left the bulk of his estate to his mother, Mrs. Simons, and the widow filed a contest alleging that the mother had used undue influence over her son.

The demurrer alleges that the contestant's complaint is uncertain and unintelligible.

HE IS NOT INSANE.

WILL HOLD A BIG CONVENTION

UNUSUAL ACTIVITY REPORTED IN CHRISTIAN ENDEAVOR CIRCLES.

The county president of the Young People's Society of Christian Endeavor has sent out the following notice to all the societies about the coming County Convention:

"Please note the County Convention at the Fourth Congregational Church, Thirty-sixth and Grove streets, Oakland, Saturday afternoon and evening, November 15, 1902. The theme is, "The Endeavor Field.' Among those who take part at this convention are: State President J. O. Smith, Giles Kellogg, W. A. Kling, Marshall Black, J. E. White, I. N. Halliday, Miss Susie Ward, Miss Belle Stanford and H. L. Lorensen. It is expected that Rev. Dr. Work of Dayton, Ohio, will be secured for the evening address. There is to be a junior chorus of 150 trained voices and much other fine music."

The West Oakland citizenship rally was a success in every particular. The social room of the Second Congregational Church was well filled with the young people. Special music had been arranged by the entertaining society, which was a very enjoyable feature of the meeting. The address of the evening was given by I. N. Halliday, Sunday school superintendent of the First Congregational Church. Mr. Halliday is a young people's man, and though comparatively new upon the coast, it has not taken the people of California long to find it out. While his work is largely among the children, he can interest their elders as well, and he fired the hearts of his hearers with a desire and determination for more loyal endeavor along the lines of good citizenship and temperance. His address was greatly appreciated by the Endeavorers.

The monthly meeting of the Alameda County Christian Endeavor Union Executive Committee was held Monday evening in the Y. M. C. A. Building.

The devotional service was led by Miss Eda Bush, third vice president of the State Union. The reports from various officers and committees were encouraging.

The date of the social Pilgrim Congregational Endeavorers are planning has been changed from October 31st to November 1st.

The parlors of Brooklyn Church, East Oakland, were filled with the young people of the Baptist, Congregational and Presbyterian societies last Sunday evening, the occasion being a union meeting in the interests of good citizenship.

The address of the evening was delivered by Rev. J. W. Phillips. George Lowell led the praise service and took charge of the meeting.

The society of the First Congregational Church commenced a new term this month with the following officers: President, Ellis E. Wood; vice-president, Alice Hathaway; secretary, Fannie Lawton; corresponding secretary, Neva Jenkins; treasurer, Herbert Breed; junior superintendent, May Shreve.

The Berkeley City Union Endeavorers will hold a good citizenship mass meeting Saturday evening, October 25th, in Trinity M. E. Church. Dr. E. R. Dille will speak.

A mass meeting of the juniors of Oakland, Alameda and Berkeley will be held at the First M. E. Church, Oakland, Sunday, November 9th, at 3:30 P. M., at which time the new county junior superintendent will address the juniors.

Rain Retards Progress of 'Varsity Football Players.

BRANCH OFFICE, 2121 STANFORD PLACE ***TELEPHONE MASON 1761***

BERKELEY, Oct. 25. — With the freshman games a matter of the past, the coaches and trainer of the University of California football squad have been devoting all their attention to the 'varsity eleven. Now that the game with Stanford is only two weeks off, every day of coaching and training is of the utmost importance. Realizing this the coaches are looking for all the weak points in the team as a whole and individually, and these weak spots they are trying to strengthen before the big game. And Trainer Christy is looking after the men to see that they keep in good condition. At present every man in the squad is whole, with the exception of Hazeltine, who will be laid on the shelf for the rest of the season.

Owing to the rain, the gridiron is one big mud-puddle and entirely unfit to be played on. As a consequence, the men have had to play this week on the field by Hearst Hall. Here they have been practicing punting and running in kicks. But it has been impossible to line up for heavy work. This has greatly handicapped the coaches and materially retarded the progress of the team. Berkeley is praying for fair weather. Her team plays a quick snappy game that requires a good field. On a muddy field she will be at a great disadvantage against her cardinal rivals. With Hazeltine out of it, there is a pretty three-cornered race for the position of right tackle. For this position three men seem to stand about equal chances. Howard and Heitmuller, who have played in other seasons, are both strong men and in weight, quickness and knowledge of the game about equally matched. Middleton, tackle and captain of last Saturday's victorious freshman team, is lighter than these two, but he is quick, a hard, strong player, and plays an excellent all-round game. Any one of these three can give a good account of himself against Stanford.

Johnny Moore has been laid up for a couple of weeks with a bad rib, but will be able to play again next week. During Moore's absence from the field, Bobby Sherman has been passing out the ball. Sherman has been playing half-back, where he has done good work, particularly in running in kicks and picking his way through a scattered field. At quarter he has played a good game, and should Moore be able to last only half of the game with Stanford, California has a good man in Sherman to take his place.

At center Phillips and Stroud are both playing a good game. Stroud is the freshman of last year who got into the game when Overall was taken from the field.

At right half, besides the veteran Warren Smith, Graves is playing a good game. At the other half is Mini, the most picturesque player of this season. Although "Little" Mini is the lightest man on the squad, he plays a wonderfully strong game. His end-running has been one of the features of this season's play, and he has a happy faculty of worming his way through anything that even looks like a hole.

This afternoon California plays Reliance at Berkeley. The games, so far this year, have been very unsatisfactory. The clubmen and the alumni have failed to put good teams into the field. As a result, all the games have been one-sided, the only question being by how large a score the college men should win. In her three games this season California has scored a total of seventy-two points, while no team has yet succeeded in scoring against her.

At half past three this afternoon the teams lined up as follows:

California.		Reliance.
Hudson	R E L	Valz
Howard, Heitmuller or		
Middleton	R T L	Gaffey
Overall	R G L	Wiers

ASSOCIATED WOMEN STUDENTS ENTERTAINED BY SENIORS.

BERKELEY, Oct. 25.—This afternoon the Associated Women Students of the University of California are being entertained in Hearst Hall by the girls of the Senior class. This is the second of these informal gatherings of the women of California.

The committee in charge of today's reception consists of the following:

Silverberg, Edna Wempe, Ellen Stearns, Marguerite Campbell, May Walker, Grace Swain, Grace Young, Ada Jenkins, Helen Henry, Beth Adams, Winifred Evans, Grace Barnett, P. Goetze, Margaret Ferrier, Ruby Fell, Nellie Baldridge, Gertrude Cook, Jessie Davis, Augusta Dreslaugh, Evelyn Baugh and Ethel Bartlett.

Refreshment — Misses Elsie Nutting, Helen Hanson, Martha Miller, Lucy Robinson, Pearl Curtis and Edna Porwin.

STUDENTS' AFFAIRS COMMITTEE SAY "NO MORE NOISE."

BERKELEY, Oct. 25.—Owing to the disturbances that took place at the Skull and Key running last week and again at the impromptu rally held a week from yesterday, the faculty committee on students affairs has taken steps to stop further demonstrations. On these two occasions the students made so much noise and "rough-house" that recitations had to be discontinued. The faculty says "no more noise" (and has posted an edict to that effect). This virtually does away with lounging on North Hall steps, for when students get together they do not, as a rule carry on their conversation in whispers. The outcome of the matter will probably be that the students will find some new place to bum, and when the "old grads" come back to Berkeley they will find North Hall steps deserted, except for students who walk up and down them on tip-toe for fear of awakening disturbing echoes in the dusty halls above.

The edict reads as follows:

"Inasmuch as on several occasions there has been serious violations of the fundamental principles of good order, gentlemanly conduct and respect for the main purposes of the university, notice is hereby given to the students that any noise or disorder, in the neighborhood of the lecture halls, library or laboratories, or any occurrence tending to disturb the exercises of the university will not be tolerated. Signed for the academic council and faculties: William Carey Jones, W. A. Setchell, H. K. Schilling, M. C. Flaherty, C. L. Cory, committee on students' affairs."

RARE ANTIQUITIES ARE RECEIVED FROM EUROPE.

BERKELEY, Oct. 25.—Yesterday the University of California received from Italy one of the largest collections of Roman and Etruscan antiquities that has ever been sent to this State. Professor Alfred Emerson, who is making an extensive tour of Italy, exploring and collecting classical relics for the University Museum, is the sender of the rare boxes. It is through the kindness of Mrs. Hearst that the University is profiting by the discoveries of Dr. Emerson.

Already Dr. Emerson has sent several shipments, but the present one is the largest and most important. It consists of eighty-eight cases which contain thousands of antiquities, purchased from European art galleries, and dealers in old curios. Many of the relics were only obtained by Dr. Emerson out-bidding some of the largest museums of the Old World.

Until Dr. Emerson returns to Berkeley the antiquities will be stored in the temporary iron structure on the Campus.

WHILE NORTH SMITH RECEIVED NO SALARY.

BERKELEY, Oct. 25.—Since Stanford raised the question of the eligibility of Warren Smith, California's half-back, the full details of Smith's dealings with the University of Oregon have come to light. And these details seem to thoroughly vindicate the foot-ball player.

Smith has affidavits to back up all Statements. He was with the University of Oregon for about six weeks. During that time the team made a trip through Oregon, Washington and even went as far as Idaho. Smith accompanied the team on these trips and paid all of his own expenses, including hotel bills and railroad fares. For such a tour four hundred dollars is not enough to leave much over for a salary after paying expenses. When Smith has signed statements from the Faculty Auditor and the business manager of the University of Oregon that the money he received went to pay these expenses there is left little room for doubt but that he is an amateur.

Another point in Smith's favor is that during his whole time up north he did not once play with the Oregon team. His reason for this was that he intended to return to Berkeley and wanted to play on the California team. Had he played with Oregon he could not have played here for he had already played three years and had only one more season allowed him under the "four-year" rule. If Smith was so careful of his standing in this regard it would have been strange if he had spoiled his chance to play again by accepting a salary.

As yet Stanford has not formally challenged Smith's right to play. When she does send her formal protest, Berkeley will take steps to have the matter placed before a board of arbitration.

Mr. Fairbanks is a well known scholar in geography, and has written several books on geographical topics. He has just returned from the Colorado Canyon where he has been pursuing his studies in that interesting field.

LOAN FUND ESTABLISHED BY SENIOR CLASS.

BERKELEY, Oct. 25.—The Senior class of the University of California has established a "loan fund" for the benefit of those students who are working their way through college. Six hundred dollars has already been subscribed for this fund, which will be placed in the hands of a committee composed of faculty members.

The object of the fund is to provide some source from which deserving students may derive aid. Money will be loaned to students who need help, and this money may be paid back after the student has left college and can earn his way.

Last year the class of '03 tried to establish a scholarship. To do this, however, it was necessary to raise $3,000, and this was found to be impossible. Out of this has grown the present project.

The committee in charge is composed of Dana G. Putnam, chairman; John A. Brewer, O. Schulze, A. F. Hughes, A. M. Priestly, A. M. Jenkins, E. B. Gould and Misses K. Smith and P. G. Curtis.

STRUCK BY THE TRAIN WHILE HE WAS INTOXICATED.

BERKELEY, Oct. 25.—While attempting to cross in front of the Berkeley local train just as it was pulling into Lorin station, Charles Griffin was struck by the engine and thrown from the track. Griffin, who is a painter, living in San Francisco, was partly under the influence of liquor at the time. He ran directly in front of the engine, but was not quick enough to avoid the cow-catcher. Fortunately the train had come almost to a standstill, or Griffin would certainly have been killed. As it was, he was thrown heavily to one side of the track. He struck on his temple and was knocked senseless by the blow.

The injured man was removed to Prindle's drug store at Lorin, where his wound was dressed by Dr. J. H. Oberg. When it was found that the injuries were not of a serious nature, Mr. Griffin was put on the train for San Francisco.

Those who witnessed the accident say that Griffin was intoxicated at the time and no blame can be attached to the train crew.

CLEVER FARCE SELECTED FOR JUNIOR DAY.

BERKELEY, Oct. 25.—At a late hour last night the Junior Day Committee, which met at the Kappa Kappa Gamma House, finally selected the farce written by Arthur Price to be presented on Junior Day at the Macdonough Theater, Oakland. Several excellent farces were entered in the competition, and for some time the committee has been going carefully over them in order to make the right selection. Last night they came to the conclusion that Mr. Price's production was the best adapted for Junior Day, and to him goes the coveted honor.

The Junior farce is the most important literary production of the college year. Every class, in its Junior year, presents a play on Junior Day, when the class entertains its friends at the theater in which they present the farce. It is strictly a class affair, all those taking part being Juniors.

"The Ax and a Pirate's Daughter" is the name of Mr. Price's farce. The "ax" refers to the celebrated Stanford ax which Berkeley stole four years ago. The "pirate's daughter" is a Berkeley co-ed from India. By using this conception, which relates to both California and Stanford, Mr. Price has succeeded in making some clever hits at the cardinal men. The farce will be preceded by the clever curtain raiser written by Miss Martha Rice.

Mr. Price is prominent in literary circles at California. He is a member of the Occident staff, and for that weekly he has written regularly since entering college. He is also editor of the Blue and Gold, the large annual volume which the Juniors will publish next term. And with Earl Anthony he wrote the burlesque that will be given at Fischer's Theater on the night of California's game with Stanford.

LIFTED A FIRE ENGINE.

TOM CARROLL OF FRUITVALE PERFORMS WONDERFUL FEAT OF STRENGTH.

FRUITVALE, Oct. 25.—A wonderful feat of strength was performed yesterday by Tom Carroll, the "Brooklyn Giant," in the presence of many witnesses. Carroll, who holds the world's record for hammer throwing and is a man of immense physical strength, lifted one end of the Brooklyn fire engine at the fire house in East Oakland. Carroll, in company with a number of friends, met at the fire house, where a discussion arose over who could lift the greatest weight. In order to settle the dispute each member of the party made an attempt to lift one of the rear wheels of the fire engine, as it stood in the station. As nearly the entire weight of the engine, which weighs 7,000 pounds, rests on the rear wheels, the attempts of the men to even budge the wheel proved fruitless. Carroll waited until all had had their turn. He then stooped down and seizing a spoke on either side of the large wheel lifted the corner of the big engine clear of the floor, and dropped it with a thud that shook the building. The witnesses were dumbfounded, and afterwards it was discovered that the combined efforts of any two men in the crowd could barely lift the wheel from the floor. By those who witnessed the feat it is estimated that Caroll must have lifted at least 1700 pounds. He is undoubtedly the strongest man in Alameda county.

BIG RALLY FOR HAYWARDS.

SENATOR PERKINS AND SAM M. SHORTRIDGE WILL ADDRESS VOTERS NEXT SATURDAY.

HAYWARDS, Oct. 25.—The Eden Republican Club will hold an important meeting Monday night in the town hall to perfect arrangements for a big Republican rally, which will be held in the Haywards Opera house on Saturday evening, November 1st. It will probably be the last large gathering of Republicans that will be held in Haywards this campaign, and the officers of the club declare that it will be one of the largest campaign meetings held in the State this year. It is the intention of the local Republicans to secure for that evening two prominent speakers, Senator Perkins and S. M. Shortridge. Other speakers will address the meeting, but the orators of the evening will be those just named. Haywards Opera House will seat a great body of people, and the club is confident of packing the place to the doors. Voters from all the surrounding districts will be present, and there will be a band, fireworks and anvils. It will be the last great effort of this district to enthuse the people before the election, which will take place on Tuesday of the next week.

From the present outlook in this district everything is bright for the entire Republican ticket. The district will poll a larger vote than has ever been credited to this section, and prominent politicians predict that the Republican majority will exceed any past victory for that part in this vicinity.

The Eden Republican club, with its several hundred staunch members, is doing good work through the township. They will support the Republican ticket to the man, and will use every effort to induce their friends to do the same. Every Republican demonstration that has been held in Haywards or vicinity this campaign has carried out the opinion of those who predict a Republican victory. The halls have been packed and the greatest enthusiasm prevailed.

SCHOOLS CROWDED.

The Haywards Public School has been greatly overcrowded this term and the condition was not relieved until recently, when a number of pupils from each room were placed in another room, and an extra teacher employed. The new class has been installed in the laboratory, with Miss N. Boston of Livermore, as teacher.

The gradual increase each year is being felt in the school, and either a new building will have to be erected before many years, or an addition made to the present one in order to accommodate the rapidly increasing enrollment. This increase, however, is welcomed by the citizens, as it demonstrates that Haywards is growing and that many new families are coming in rapidly.

THEY SURPRISED HIM.

A party of twenty people, composing children, grand-children and great grand-children of Daniel Ticknor, surprised him by calling in a body at his home recently. The surprise party was arranged with great care, and the old gentleman was not aware of what was going on until the entire party had gained entrance to the house. An enjoyable evening was spent at games and music.

Mr. Ticknor is 92 years of age. He crossed the plains in 1849, and his party were in the Mountain Meadow Massacre and many were killed. Mrs. Ticknor is 83 years of age, and both she and her husband enjoy perfect health.

DIED IN HAYWARDS.

Mrs. Katy Thompson died recently at the American Hotel in this place, where she had resided for some time. Deceased was a native of New York, and 76 years of age. She had resided in the vicinity of Haywards for the past eighteen years. She leaves one daughter, Mrs. Frank Lake. The funeral took place Tuesday afternoon from the house in which she had resided. Interment was at San Lorenzo cemetery. The Pall bearers were Messrs. Hollis, Chandler, Luce, Smalley, Sandrup and Giddings.

RETURNED FROM THE NORTH.

August Ubhoff and son, Charles, have returned from Alaska, where they have been for the past five years. They spent most of their time in the vicinity of Dawson. After spending a few months with his family Mr. Ubhoff will again return to Alaska, accompanied by his son.

BACK FROM THE ISLANDS.

Jerome Arendt, who, for a number of years conducted a business establishment in Hawaii, has returned to his former home in Pleasanton, where he will take charge of his father's business. He was in Haywards this week.

LOCKWOOD'S NEW SCHOOL.

HANDSOME STRUCTURE NEARLY COMPLETED NEAR ELMHURST.

ELMHURST, Oct. 25.—Contractor Wharton has almost completed the new Lockwood school. During the week the fine slate blackboards have been put in, and the finishing work on the stairs and the front part of the building is now being completed. The front entrance to the school is an artistic piece of work. Broad stone steps lead up to the double doors, while the short alcove is lined with beautifully grained woodwork. The interior of the building has been arranged with the greatest care for the comfort and convenience of the pupils. The ceilings are high and each room is well lighted with many large windows. The entire interior has been utilized in such a manner that not a foot of room is wasted. In fact, the building is a modern structure in every sense of the word. The contract price for the construction of the school is $11,897, and as the district is bonded for $15,000, there will be left $3,103 for furnishing, which will also be strictly up-to-date. The latest desks will be used, which will be a great improvement over those of the old building.

SHE HAS GONE NORTH.

Mrs. E. O'Neil left yesterday for Great Falls, Mont., where she will spend some time with relatives.
